

# Volunteer Restoration Event: Madrone Wall

**What:** The Madrone Wall Preservation Committee is coordinating with Clackamas County Parks to help restore native plant biodiversity and ecosystem to the Madrone Wall by removing invasive plants (e.g., Himalayan blackberry, English ivy). Please join us at our very first opportunity since the site was closed 11 years ago to make a difference at this amazing civic treasure! This is a great event if you are looking for an environmental public service project.

**When:** 10:00 a.m. to 1:00 p.m., Saturday 27 September 2008

**Where:** Meet at parking lot of Carver School (just as you enter Carver from the North on Highway 224 at 16077 S.E. Highway 224, Damascus, Oregon 97089, [www.carverschool.org/Find\\_Us](http://www.carverschool.org/Find_Us)) and carpool to/from Madrone Wall site.

## **What to Bring:**

- Appropriate safety equipment (work gloves, work boots, etc.)
- Water, hat, sunscreen
- Dress for weather (rain or shine!)
- Gardening Tools: loppers, pruners, shears, small hand saws, shovels, dandelion pickers, weed wrenches, digging tools, etc.

**RSVP to by 20 September to:** [kdaellenbach@att.net](mailto:kdaellenbach@att.net)

BBQ sponsored by Climb Max Mountaineering for all participants following work party at Carver School parking lot. Raffle sponsored by The Access Fund.

Please continue to respect Clackamas County's current "No Trespassing" posting at the site.
